

THE ALL-NEW  
**OKAVANGO**

For uncompromised moments

Uncompromised  
Space

### **7 independent VIP seats**

Enjoy a comfortably spacious ride with the smart interior design that makes every drive a unique journey.  
Seven Individual Seats & One-Meter legroom in the second row

## **2050L huge loading space + 2.2M ultra-long leveling space**

OKAVANGO features an expansive loading space big enough to carry:  
Twenty-Six 20" suitcases, 2.2M bed mattress, Washing Machine, LCD TV, and other large home appliances

### 69% High Space Efficiency

With the submersible seat arrangement, the space efficiency is 69%, 6%-8% above the mean space efficiency of car industry, surpassing 99.999% cars of same level

### 19 Flexible Space Arrangements

User-friendly design allows for seats on both sides to be moved forward and tilted upwards to provide a convenient passage and access

### 42 Storage Spaces

There are 42 storage spaces available in the OKAVANGO

### Back Row Spaces & Convenience

Three wide rows, driver seat with 6-direction electric adjustment, and assistant driver seat with 4-direction electric adjustment, ensure easy and convenient carriage of 7 occupants in the OKAVANGO

### Intelligent 3-Zones AC

Smart air distribution and ventilation with variable displacement for fuel-efficiently, achieves strong cooling in just 3 minutes

# Uncompromised Design

### **Refined Style & Impeccable Quality**

An all-new experience and revelation. A compact modernist design with tensile sense of space, large full-bodied structure, infinite expansion, large spaces, and full extension

### **Front Grille**

The OKAVANGO front grille features a sleek, straight-lined, and a rhythmic-curved cosmos inspired aesthetic look

## Skyline Double-tracked Ceiling Rack

The aerodynamic streamlined design reduces wind resistance and features a powerful carrying capacity

## Intelligent Multi-dimensional Exterior Rearview mirror

The electronically adjustable and foldable exterior rearview mirror, carries turn-signal function and supports automatic heating and defrosting

## Quintessential Cockpit

Infinity-inspired gravitational air outlet designed dashboard

- High-grade leather materials
- Interior infinity field design elements
- 3D diamond-shaped technological pattern

### **Double-layer Central Channel Design**

The flat and straight upper layer integrates the electronic gear lever, driving-modes, and other control functions, all optimally maximizing space usage

### 10.25-inch Suspended Central Control Panel

Horizontal, capacitive, optimally elevated, anti-reflective, and explosion-proof Full HD screen, with AR coating technology and increased light transmittance

### 60-inch Panoramic Sunroof

Sunroof equivalent to the size of a 60-inch LCD TV

Uncompromised  
Technology

## 1.5L Turbo Charged Direct Injection Engine

- 1000RPM power output
- 6.6 L/100KM comprehensive fuel consumption
- Produced under R&D partnership with Volvo

## 7 Wet Dual-Clutch Transmission

- 0.2s high-speed shift
- 97% transmission efficiency
- Optimized fuel consumption

## 48V Electric Motor Synergy

Quieter, faster and smoother engine

- Faster start time, powerful acceleration and engine-sourced battery charging optimizes engine efficiency
- Energy recuperation transpires through automatic ignition and On & Off function with pedal press & release
- Electric motor supports smart-sailing, triggering engine shutdown at high-speeds

48V EMS

### Three Driving Modes - Comfort/Sport/Eco

- intelligent switching and a pleasurable driving experience
- Eco

Comfort

Eco

Sport

## ADB Matrix LED Headlight

- Intelligent follow-up steering and Adaptive headlight rotation lighting adjustment according to the road conditions, ensure stable and suitable driving field of vision according to the driver's height
- Quad-mode camera-coordinated LED light source scans road conditions and incoming vehicular traffic to comfort the driver from high-beam frequency and dazzling

### Electric Intelligent Anti-pinch Tailgate

Intelligent, effortless, and safe anti-pinch tailgate operation

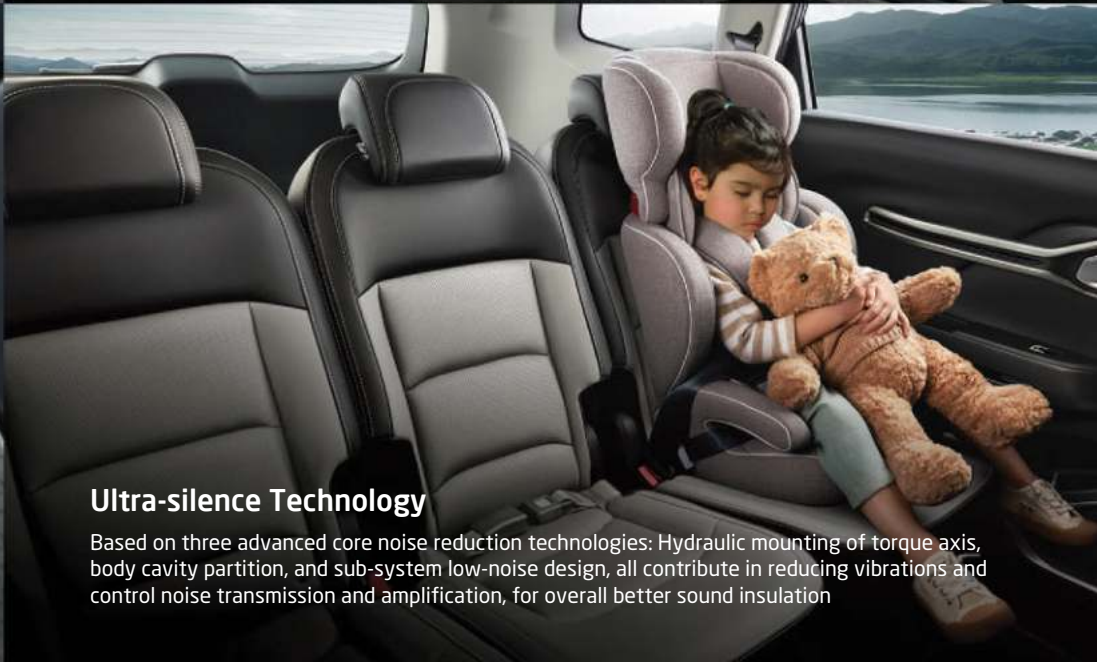

### Pilot Electronic Shift Lever

Adopted electronic signal control mode with technologically sophisticated configuration

### EPB+Autohold

- Autohold minimizes operational steps and prevents the vehicle from sliding
- EPB activates ESP in case of emergency braking

### Ultra-silence Technology

Based on three advanced core noise reduction technologies: Hydraulic mounting of torque axis, body cavity partition, and sub-system low-noise design, all contribute in reducing vibrations and control noise transmission and amplification, for overall better sound insulation

### **Sharp-edge LED Daytime Running Lights & Diamond-claw Fog Lamp**

- Alerts vehicles and pedestrians, helps avoid risks, and reduces vehicle accidents
- Diamond-cut optical blocks improve visibility, effectively cope with rain, snow and fog, assists in illuminating bent areas, and magnify field of vision

### 360° HD Panorama Image

360° omni-directional HD display camera combined with a 12.3 inch HD large-size screen

### PEPS

Supports keyless and remote unlocking, ignition, audible & visual alarm trigger, windows open and close, and sunroof closing

### 5.3m Flexible Turning Radius

Smooth feeling and automatic self-alignment prevents unnecessary noise, overheating and damages to the mechanical parts, and allows the driver to easily turn around on a narrow road

Uncompromised  
Safety

### 1500+MPa High-strength Steel

The car body adopts an enclosed "cage" type framework structure using high-strength steel. The body can effectively distribute the front, side and rear collision force through a specially designed collision force transmission path, in order to minimize any potential passenger injury

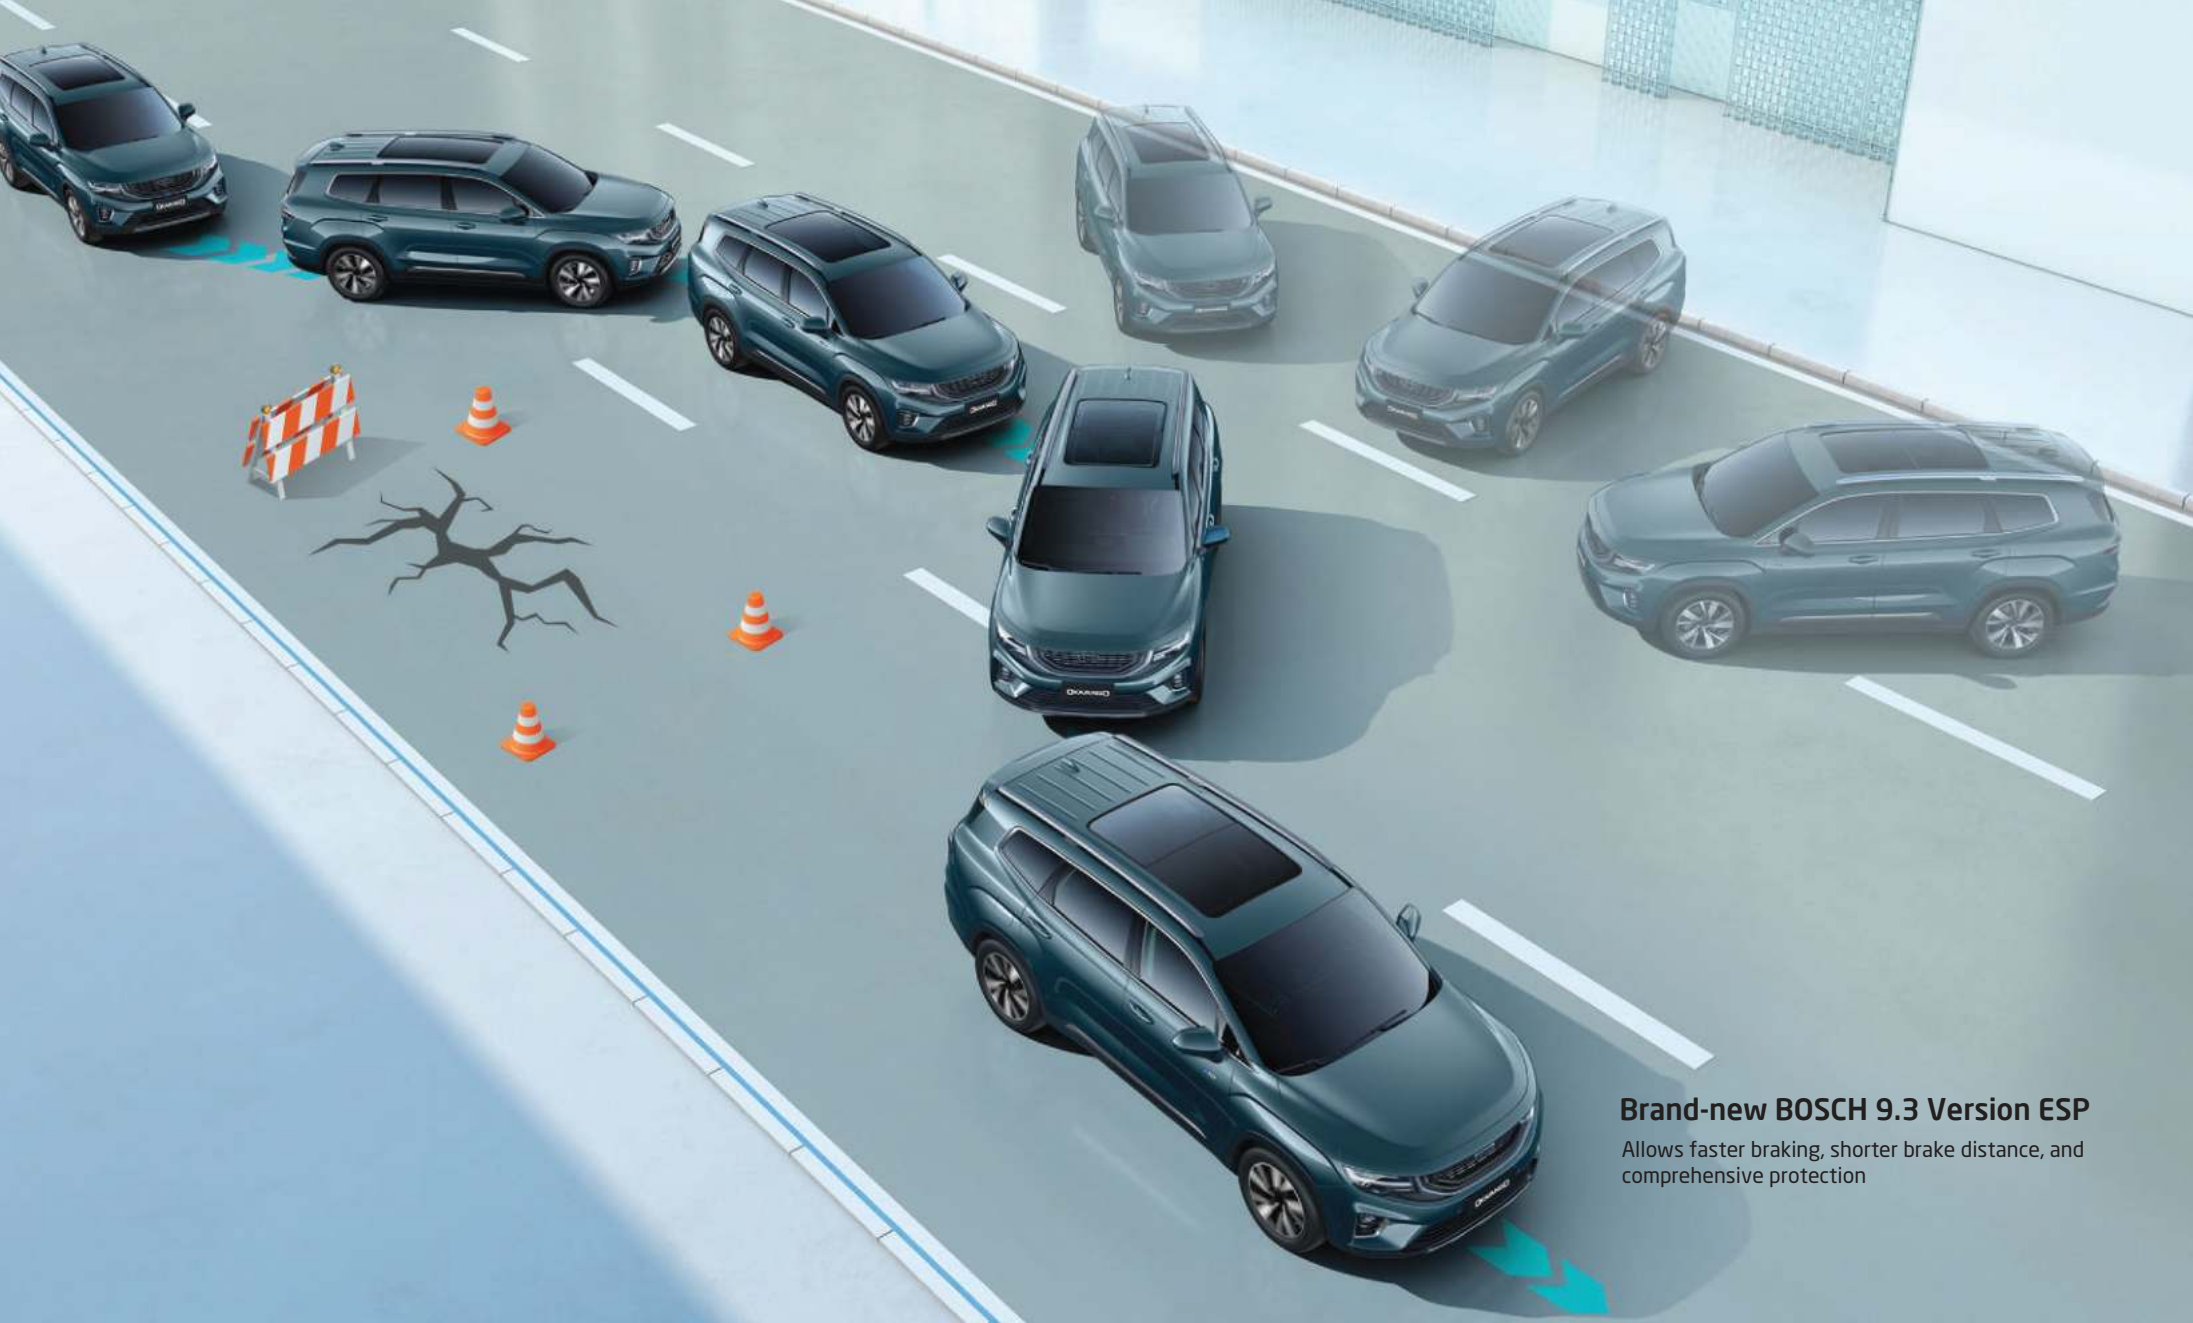

### HDC+HHC

No accidental slipping uphill, and no unintentional speeding downhill

**Brand-new BOSCH 9.3 Version ESP**

Allows faster braking, shorter brake distance, and comprehensive protection

## Four Airbags + Two Curtain Airbags

5.0 generation four airbags, two curtain airbags, and four crash sensors, cover all passengers in the car and provide comprehensive protection

6 Airbags

## Standard-level CN95 Cabin Air-filter

Effectively isolates bacteria, smog, fine sand, road-dust, exhaust particles, pollen-spore, odor, and other hidden dangers that are harmful to passenger health

## Odorless Environmentally-friendly Interior

Environmentally-friendly materials and processes adopted to keep passengers healthy

# Specifications

Basic Parameters	Okavango
Length*width*height (mm)	4835*1900*1780
Wheel base (mm)	2815
Engine displacement (L)	1.5TD+7DCT+48V EMS
Max. engine power [kW/rpm]	130
Max. engine torque [Nm/rpm]	255
Max. integrated power of +48V EMS [kW/rpm]	140
Max. integrated torque of +48V EMS [Nm/rpm]	300
Tyre specification	225/55 R18 or 215/60 R17
Max. speed [km/h]	190
Front/rear wheel tread [mm]	1603 /1618
Front/rear suspension [mm]	985/1035
Min. ground clearance [mm]	190
Curb weight [kg]	1610/1659
Seat form	2+3+2
Driving mode	Front-engine
Braking mode	Front ventilated disc/rear solid disc
Fuel tank capacity [L]	60
Fuel consumption under integrated working condition [L/100km]	6.6
Front suspension	McPherson independent suspension
Rear suspension	Rear composite multi-link dependent suspension
Body color	Black, white, grey, silver
Interior color	Black

Marble Black

Porcelain White

Storm Grey

Luna Silver
